

Certified Peer Counseling Information from Washington State Health Care Authority

Training Contracts for FY24 –

- Pier 360 (CVAB)
- Peer Washington
- Jones Community Solutions
- Dad’s Move
- Holding the Hope
- Passages Family Support
- SPARK

Follow this step-by-step certification process:

1. Complete our online prerequisite course and send a copy of your certification of completion to our [peer application support team](#).
2. Complete the peer counseling application.
3. Be accepted for, and successfully complete, the HCA-approved CPC training.
4. Take and pass the state CPC oral and written exams.

To access the training, [create an account](#) at our peer support learning management system.

Application process

The application process has three steps. These steps can be completed in any order but they all must be completed for your application to be reviewed.

- Complete the online certified peer counselor prerequisite training.
- Submit the certification of completion received at the end of module nine to our [peer application support team](#).
- Complete the online [peer support application](#).

These steps are required as part of the application process for the standard CPC training, the youth and family CPC training, and the bridge training. Your application will not be reviewed until these steps are complete.

If you experience technical difficulties with this training, please [email the Peer Support Program](#) for assistance, who will respond within five business days.
