			were detained on a substance use detention, 177 were referred for outpatient services; 8 referred for inpatient services voluntarily; 39 were referred to the community or medical; 181 did not need any further follow up. • No legislative updates • The Rural Health Transformation Project. There will be 3 teams put together (minimum of 2 staff each team). One team located in Garfield County, one team in Whitman County and one team in Walla Walla County (to serve Prescott, Dayton and Waitsburg) requirements: One staff must be bilingual. • Columbia Valley Center for Recovery (CVCR) has opened in Benton County. • Working on Audits.	
•	Committee Reports/info		Clinical Crisis Providers: June 18, 2026. Sindi Saunders discussed: • New Chair for the committee – Danika Gwinn from QBH • Because of the changes with the crisis stabilization units and CRC's we had to change our crisis log. • The July meeting will be the Crisis Continuum of care forum for the region. This is a contract requirement. • All providers will need re-credentialing this year; discussed documents for that. • Will be starting the UM committee • Discussed the Rural Health Transformation Project • Discussed CSU protocol IQMOC: June 15, 2026. Sindi Saunders discussed: • Went over care coordination and network adequacy. Identified that it would be nice if there were more therapists in our region that dealt with children that were sexually aggressive. There is a gap for that. • We looked at utilization of data of the crisis system and the DCR status • Authorization and notification timelines • In-patient and long-term bed utilization • Next month we will have stabilization unit • No denials • Looked at substance abuse block grant utilization • From January to June, we had 15 authorizations for IP residential substance use; 9 were true blood, 6 were block grants. • We looked at utilization of YARP; 9 referrals last month, 34 total for the year • We looked at the utilization overall; going really well. MIS Committee: June 16, 2026. Rene Legler discussed: • Talked about how to improve our rate of missing supplemental transactions in the HCA data quality reports. Went over the use of modifiers for Crisis
